

# HARVEST & HABITAT WALK

## SATURDAY, MAY 20

9 AM – NOON

Meet 9 a.m. at Norcross Wildlife Sanctuary parking lot: 30 Peck Road, Wales, MA to carpool to site.

Join Dan Donahue, Director of Land Protection & Stewardship, for a free 2-hour walk through Whaleback Ridge, the site of a 2016 20-acre timber harvest employing clear-cut and irregular shelterwood forestry practices. Learn about managing woodlands to promote a diversity of tree species and age classes in light of a changing climate, and about the wildlife and songbirds that benefit from young forest habitat.
